

Company Overview

A One Stop Shop for all your Orthotics, Prosthetics, and diabetic foot care needs, Mid Star Lab continues as the industry leader in preventing amputations, a devastating side effect of diabetes. Serving Podiatrists, Orthopedic Clinics, Physical Therapists, Chiropractors, the VA, IHS, and other government agencies. Mid Star Lab has expanded its services with the acquisition of Capitol Orthopedic and now operates as a full O & P company.
